

Equipment Hire Agreement

1. HIRE & CONFIRMATION

Equipment hire is only confirmed once the equipment, hire date, hire period and applicable charges have been agreed and the required upfront payment has been received.

Until payment is received, DJ RHUE reserves the right to make the equipment available to other clients.

The upfront payment includes the **equipment hire charge and a refundable security amount.**

2. HIRE & SECURITY PAYMENTS

PA PACKAGE — £175 UPFRONT

£100 hire charge + **£75 refundable security**

CDJ / DJM PACKAGE — £300 UPFRONT

£175 hire charge + **£125 refundable security**

COMPLETE DJ + PA PACKAGE — £400 UPFRONT

£250 hire charge + **£150 refundable security**

The hire charge is payment for the agreed equipment hire. The security amount is held until the equipment has been returned and satisfactorily inspected/tested.

The refundable security amount will normally be returned as soon as reasonably possible and within 48 hours of satisfactory return.

The security amount does not limit the hirer's liability for proven loss or damage exceeding the amount held.

3. IDENTIFICATION & HANDOVER

Valid **photographic ID** must be presented by the named hirer before equipment is released.

DJ RHUE may photograph/video and test the equipment at handover to record its condition and operation.

The hirer should inspect the equipment at handover and immediately identify any existing damage, missing items or faults not already recorded.

Responsibility for the equipment passes to the hirer upon handover and continues until it has been returned to and accepted by DJ RHUE.

Cancellations, Collection & Hire Period

4. CANCELLATIONS

More than 14 days before the hire:

The full upfront payment will be refunded.

14-2 days before the hire:

DJ RHUE retains 50% of the applicable hire charge. The remaining hire charge and full refundable security amount will be returned.

48 hours or less before the hire:

DJ RHUE retains **100% of the applicable hire charge**. The refundable security amount will be returned in full.

Where DJ RHUE cancels the hire before equipment has been handed over, all payments received will be refunded in full.

5. COLLECTION, DELIVERY & HANDOVER

The agreed collection/delivery location and handover time must be confirmed before the hire.

Where delivery or setup has been purchased, suitable access must be provided at the agreed time.

The hirer must not take possession of the equipment until the required payment and identification requirements have been satisfied.

6. HIRE PERIOD & EXTENSION

The equipment may only be retained for the agreed hire period.

Any extension must be requested and approved by DJ RHUE **before the agreed return time** and may incur an additional hire charge.

Approval of an extension is subject to equipment availability.

Equipment Return & Responsibility

7. RETURN OF EQUIPMENT

All equipment, cables, stands and accessories supplied must be returned by the agreed time and in the condition provided, allowing for reasonable wear and tear.

Equipment will be inspected and, where appropriate, tested following return before the refundable security amount is released.

Any faults, damage, loss or missing items must be reported to DJ RHUE immediately.

8. LATE OR FAILURE TO RETURN

Equipment returned after the agreed time without prior approval may incur the applicable additional daily hire charge.

The hirer remains responsible for the equipment until it has been physically returned to and accepted by DJ RHUE.

Failure to return equipment may result in the hirer being responsible for reasonable recovery and/or replacement costs

9. EQUIPMENT USE & RESPONSIBILITY

The hirer is responsible for the equipment throughout the agreed hire period.

Equipment must only be used for its intended purpose and operated safely and responsibly.

The hirer is responsible for the actions of any person they allow to use or handle the equipment, including other DJs, performers, guests or event staff.

10. AUTHORISED USERS & SUB-HIRE

The equipment must not be sold, sub-hired, loaned or transferred to another person or event without prior permission from DJ RHUE.

The hirer must ensure anyone permitted to operate the equipment has suitable knowledge and experience to do so safely.

Equipment Care, Safety & Condition

11. CARE & SAFE USE

The hirer must take reasonable care of all equipment

throughout the hire period and ensure it is operated safely and correctly.

Drinks, liquids, food and other substances capable of damaging equipment must be kept away from DJ and audio equipment.

Equipment must not be deliberately overloaded, excessively clipped/redlined, dropped, modified, dismantled or operated in a way likely to cause damage.

Equipment must be protected from rain, water, excessive heat and other unsafe environmental conditions.

12. FAULTS & BREAKDOWNS

Any fault or unusual operation must be reported to DJ RHUE as soon as reasonably possible.

Where continued use could cause further damage or create a safety risk, use of the affected equipment must stop immediately.

The hirer or any third party must not attempt to repair, dismantle or modify equipment without permission from DJ RHUE.

The hirer will not be charged for a genuine equipment fault or failure that was not caused by misuse, negligence or damage during the hire period.

13. CONDITION & FAIR WEAR

Normal wear and tear arising from responsible use will not be charged as damage.

Pre-existing marks, faults or damage recorded at handover will not be charged to the hirer.

Condition records made at handover and return may be used when determining whether damage occurred during the hire period.

Damage, Loss & Liability

14. DAMAGE & REPAIR COSTS

The hirer is responsible for damage caused by themselves or anyone they permit to use, handle or access the equipment during the hire period.

Where damage occurs, DJ RHUE may obtain a professional assessment and/or repair quotation.

The hirer will be responsible for **reasonable repair costs resulting from proven damage** for which they are responsible. The refundable security amount may be retained in full or in part and applied towards these costs.

15. LOSS, THEFT & MISSING EQUIPMENT

The hirer is responsible for the security of the equipment throughout the hire period.

Any loss or theft must be reported to DJ RHUE immediately and, where appropriate, reported to the police.

The hirer may be responsible for reasonable replacement costs for equipment that is **lost, stolen or not returned**, where they are responsible for the loss.

All supplied accessories, cables, cases, stands and other items form part of the hire and must also be returned.

16. REPLACEMENT VALUE

Where equipment is damaged beyond economical repair, lost, stolen or not returned, the hirer may be required to pay the **reasonable like-for-like replacement value**.

Replacement value will be based on equipment of the same or reasonably equivalent model, age, **specification and condition** where available.

The hirer will not automatically be charged the cost of upgrading DJ RHUE's equipment to a newer or higher-specification model.

Where an identical replacement is no longer reasonably available, a fair equivalent replacement value may be used.

Security, Liability & Acceptance

17. SECURITY AMOUNT & OUTSTANDING COSTS

The refundable security amount does not represent the maximum liability for damage, loss or replacement.

Where proven repair, replacement or recovery costs exceed the security amount held, the hirer remains responsible for the reasonable outstanding balance.

Where costs are lower than the security amount held, the remaining balance will be returned after the applicable costs have been deducted.

Evidence of applicable repair or replacement costs will be provided where reasonably available.

18. CIRCUMSTANCES BEYOND CONTROL

DJ RHUE will not be responsible for failure or delay caused by circumstances reasonably outside his control, including severe weather, transport disruption, venue closure, power failure or other unforeseen events.

Where reasonably possible, DJ RHUE will work with the hirer to find a suitable alternative arrangement.

19. LIMITATION OF LIABILITY

DJ RHUE will take reasonable care in supplying equipment in suitable working condition but will not be responsible for losses arising from circumstances outside his reasonable control.

Nothing in these Terms & Conditions excludes or limits liability where it would be unlawful to do so.

20. AGREEMENT & ACCEPTANCE

These Terms & Conditions form part of the equipment hire agreement between DJ RHUE and the hirer.

Payment of the required upfront amount confirms that the hirer has read and accepted these Terms & Conditions.

Any agreed exceptions or changes must be confirmed in writing.

The Terms & Conditions supplied when the hire is confirmed will apply to that booking.
