

Booking, Confirmation & Payment

1. BOOKING & CONFIRMATION

A booking is only confirmed once the event details have been agreed by DJ RHUE and the required booking fee has been received.

Confirmation of availability alone does not constitute acceptance or confirmation of a booking.

The booking fee is based on the agreed performance rate:

Standard DJ Booking — **£50**

Warm-Up / Guest Set — **£70**

Peak date / Headline Set — **£100**

The booking fee forms part of the total booking price and is not an additional charge.

Until the booking fee is received and the booking confirmed, the requested date remains available for other bookings.

Changes to the agreed date, venue, performance times, event format, equipment or requirements must be agreed with DJ RHUE and may affect the final price.

2. PAYMENT

Unless otherwise agreed in writing, the remaining balance must be paid no later than **48 hours before the event**.

Alternative payment arrangements must be agreed with DJ RHUE in advance.

Failure to pay by the agreed deadline may result in the booking being cancelled or performance/equipment being withheld until payment is received.

Clients may pay in full in advance. Paying in full does not increase the amount retained if the client later cancels.

Additional services, equipment, travel or changes may be charged separately.

Cancellations & Rescheduling

3. CLIENT CANCELLATIONS

More than 30 days before the event:

DJ RHUE retains 50% of the applicable booking fee.

30 days or less before the event:

DJ RHUE retains 100% of the applicable booking fee.

Any amount paid above the applicable cancellation amount will be refunded.

No additional cancellation payment will be requested from the client.

4. RESCHEDULING

Requests to change the event date are subject to availability.

Where sufficient notice is provided, DJ RHUE may allow the booking fee to be transferred once to an alternative agreed date.

Changes to the date, venue, performance time, event format or requirements may affect the final price.

5. CANCELLATION BY DJ RHUE

If DJ RHUE is unable to fulfil the agreed booking, all payments received for services not provided will be refunded in full.

An alternative date or arrangement may be offered, but the client is under no obligation to accept it.

Performance, Venue & Promotion
